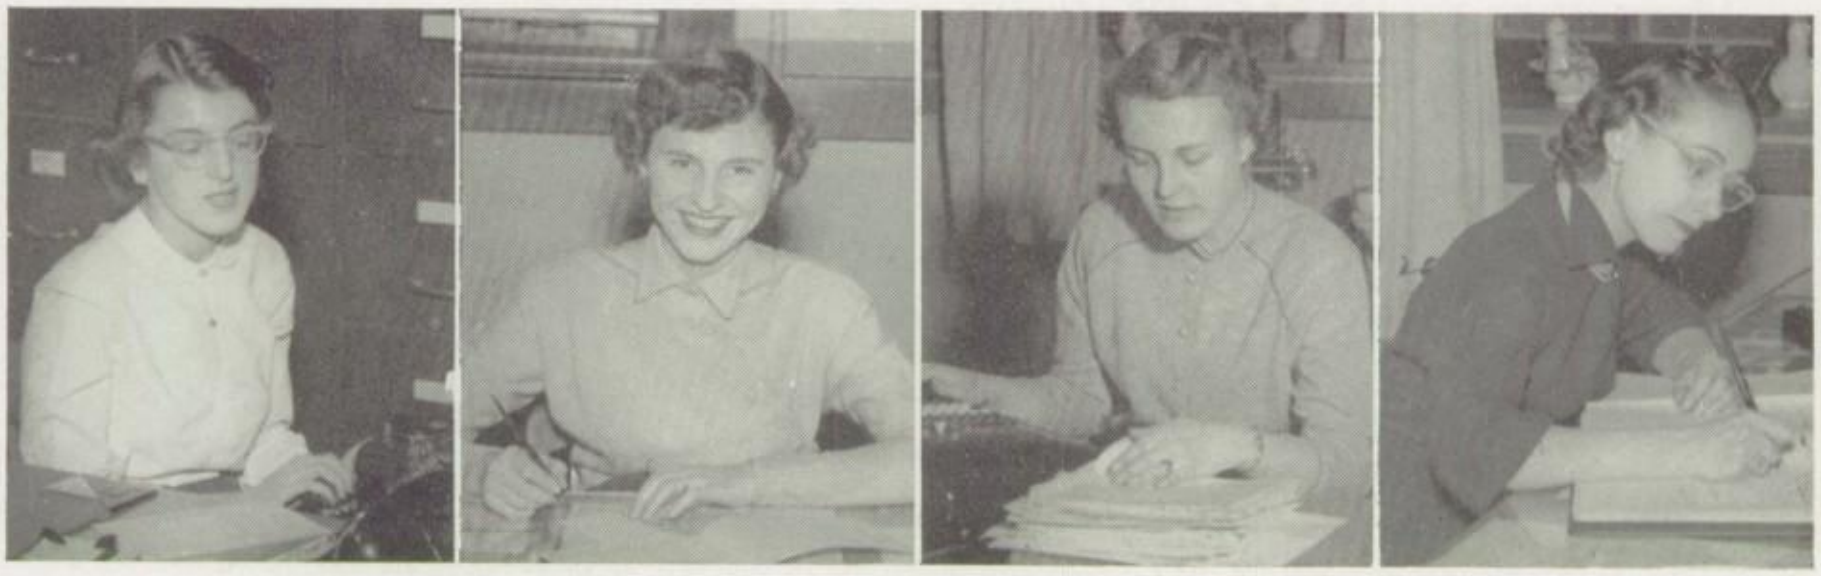
RECORD

Our superintendent of schools is a sportsman. When the deer hunting season comes each fall, he enjoys a few days of hunting at his cabin in northern Wisconsin. He also does some trout fishing in the Pople River, not far from his cabin. Here, in South Milwaukee, a pleasant summer day may find him scoring in the low 70's on the Grant Park golf course.

With five boys to occupy his time, Mr. Bauhs, our high school principal, doesn't need any hobbies or sports to keep him busy. However, when those leisure minutes come, he heads for a golf course. Not many people are aware that at one time Mr. Bauhs was a star athlete. Did you know, for example, that formerly he was a state tennis champion?



Left to Right: Marcy Hadjenian, Kathleen Calder, Delores Olsen, Irene Rivers.

Secretaries

Marcella Hadjinian, one of the girls in Mr. Bauhs' office, is ready to help you, but she does give those detentions.

Kathleen Calder, who became a Mrs. last September, is secretary to Mr. Bauhs and keeps everything running smoothly.

Delores Olson works in Miss Smith's office but you can also see her popping in and out of the other offices.

Irene Rivers, another new Mrs., is the girl behind the window, selling everything from pencils to construction paper.

Betty Joy Dixon, secretary to Mr. Luther, has a big job but she is always willing to help where ever she can.

Acting as adviser for Junior Hi-Y and also co-chairman of the Sophomore Stag kept MR. ATWOOD, social studies teacher, busy during the year. When any little incidental work comes up, MISS BANNACH is always there to see that the job gets done. Miss Bannach is in charge of the Special Room. Taking charge of ticket sales is the responsibility of MRS. BETTINGER. Mrs. Bettinger, who is a history teacher, also supervised the senior picnic. Leading the Cross Country team to the championship was the task accomplished by MR. BROWN, social science teacher. Mr. Brown is also assistant for Track. Forensics had a good season this year with MISS CONROW, English instructor, as forensics coach. Being co-chairman of the Sophomore Stag also kept her busy.

MR. CROSS, who teaches general science, was head coach for Track. He also was a football coach. Under the direction of MR. DREWS, band teacher, the Dance Band played at our dances and Pep Band lent spirit to our games. Mr. Drews is also assistant for Cheerleaders. Pep Club, the nucleus of our school spirit, was under the direction of MISS FELLOWS, English teacher. She also helped with forensics and the Prom. The big job of forensics chairman was given to MISS GILBERT, speech teacher, this year. Dramatic Productions and Assembly Announcers are also directed by Miss Gilbert. MR. HAGEN, who conducts the senior orchestra, directs the String Ensemble and supervises Music Appreciation.

MR. HINTZ, who teaches biology, has charge of the aspiring scientists in Hematology. Mr. Hintz also takes care of the money that comes in from ticket sales. MR. JANSKY, general science teacher, coached our basketball team to second place in the suburban league. Mr. Jansky also was adviser for Athletic Managers. The job of decorating the school bulletin boards belongs to School Art Service and its adviser, MR. JORGENSON. Mr. Jorgenson, art teacher, also assisted with the Prom. Viso is ably supervised by MR. KARRMANN, general mathematics teacher. He also acted as chairman of Prom decorations. MISS KOLLATH, dean of girls, advises and helps the high school girls with their problems. In addition she has a class in German.

Miss Bannach.

Mr. Cross, Mrs. Wadley, Mr. Hintz, Mr. Whitenack.

Miss Fellows, Mrs. Letter, Miss Studt.

Miss Taylor, Miss Voelker.

With MRS. KRAEMER, alegbra teacher, as chairman, Honor Society took in many new members in 1951. The Boys' and Girls' Glee Clubs are directed by MISS LAWRENCE, who teaches chorus. Bay Mist was under the management of MRS. LETTER, English instructor. In addition, Mrs. Letter was a forensics assistant. The governing body of the junior high is the Junior Student Council, under the guidance of MR. LUEDKE, English teacher. Mr. Luedke was also dramatics and Prom assistant. Some more thanks should be given to MR. MARTZKE, commercial teacher, for his work as assistant football coach. Leading M-Club is his other activity.

In addition to his important job of supervising the Bankers, MR. MELBY is also head of the Industrial Arts Club. Then, of course, he has his classes in drafting and architectural drawing. Coaching the freshman football team and the golf team were the duties MR. MIELKE, social science instructor. MISS MOE, girls' gym teacher, is the director of girls' athletics in S. M. H. Included in her activities were bowling, golf, G.A.A. and J.A.A. Keeping the noon hour down to a dull roar and acting as head of Cheerleaders kept MR. MOUNTIN busy. Besides being guidance teacher and social science teacher, he also was chairman of baccalaureate and commencement. MR PUNG takes care of the stage and keeps the P. A. system in working order for assemblies. Mr. Pung teaches industrial arts.

For the monthly edition of the Harbinger our thanks go to MISS REIDL, English and Latin teacher. Latin Club is also under her supervision. In addition to his teaching boys' gym classes, MR. SCHWARTZ is the B-Team basketball coach, Senior Hi-Y adviser and Intramurals director. COACH SCHWOEGGLER, physical education instructor, is best known for his work with the varsity football team. He also has the Square Dancing Club. Special thanks for this year's assemblies go to MRS. SMITH, English teacher, who is the adviser for Assembly Council. Football and Freshman Basketball are coached by MR. SOLUM, mathematics teacher.

Keeping the school looking new is the job of MR. STARKEY, who advises School Renovation. He teaches manual arts. MISS STEPHENS, our school librarian, has the important job of publicity agent for S.M.H. The up-and-coming Debate Club was coached by MR. STORLL. Mr. Storll, who teaches seventh and eighth mathematics, also was adviser for Model Airplanes. MISS STUDT, English teacher, was in charge of Footlights this year. Her other activities included working on the Prom and acting as head of Related Speech Activities. All the girls in Knitting seem to enjoy it, and so does their adviser, MISS TAYLOR, home economics teacher. She also advised F.H.A. and worked on Prom.

Keeping the school running smoothly is the job of Student Council and Interclub, both under the management of MISS THEISEN, geometry teacher. Financially, Bay Mist has nothing to worry about with MR. VIETH, commercial teacher, as its business manager. Mr. Vieth also keeps the tennis team in top shape. Learning the correct ettiquette in kitchen and dining room is what MISS VOELKER, home economics instructor, teaches the girls in Kitchen and Dining Service. Knitting and Prom are also her activities. Having the best Y-Teen Hop in S. M. history was the aim of MRS. WADLEY, biology teacher. She also supervised the Senior Class Day assembly. Many of the pictures in the Bay Mist were due to the work of MR. WADLEY and his Camera Club. Mr. Wadley teaches industrial arts.

Another busy man is MR. WALTER, social science teacher, who is the coach for Volleyball, B-Team Football and Track. The red-shirted ushers in Cardo are under the direction of MR. WARNER, history teacher. Acting as elections chairman and Commencement and Baccalaureate co-chairman kept him busy also. Acting as co-chairman of Y-Teen Hop, in addition to her commercial classes, occupied much of MISS WESTON'S time. Leading the Golf team to lower scores this year was the responsibility of MR. WHITENACK, science teacher.

Mr. Wadley, Mr. Starkey.

Mr. Martzke, Miss Weston, Mr. Vieth.

Mr. Walter, Mr. Brown.

The lovely music wafting out of the barracks every fourth hour is the orchestra. Under the conducting of Mr. Hagen the orchestra has had a very successful year. They gave us some fine assemblies and the combined Christmas program was enjoyed by all. The highlight of year was the orchestra concert in April. They played some melodies which will long remain in our memories.

String Ensemble

If there is nothing more enjoyable than playing an instrument it is playing with more in a string ensemble. This year the ensemble put in long hours of rehearsal for the pieces they played at the contest. They were so well liked that they were asked to play at many local organizations. I know these musicians will long remember the work and fun they have had this past year.

Pep Band

This group, composed of the strongest players of each section in the band, has worked hard and enthusiastically with the cheerleaders at basketball games and pep assemblies. The lively marches and active majorettes do much to raise the spirit in sport activities.

Dance Band

An after-the-game dance is always well-attended when the dance band is playing. Together with Mr. Drews, the adviser, the members of this group have worked on a concentrated number of standard popular tunes every Wednesday.

Top Row: R. Dretzka, M. Glaske, R. Kraning, D. Nirschl. *Second Row:* R. Mitchell, S. Swessel, G. Maass. *First Row:* R. Smolenski, J. Kaiser.

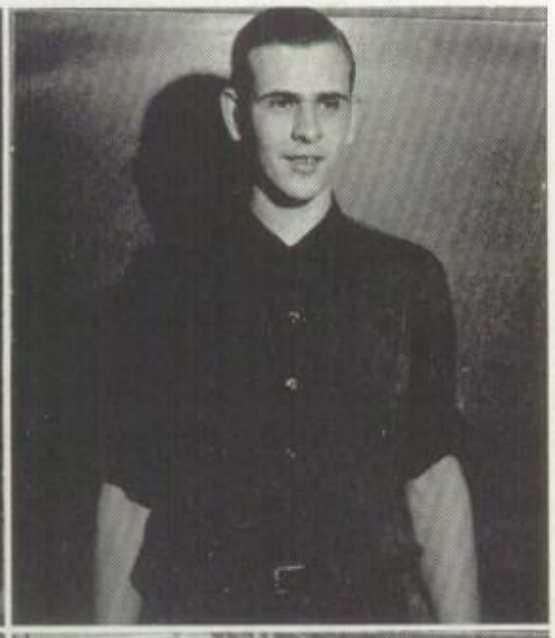
Stage Technicians

Remember those well-planned assemblies, plays and dances that were presented during the year. Or how the lights were always turned on and off at the right moment. This work is done by the boys of Stage Technicians, under the guidance of Mr. A. Pung. These boys have made themselves an indispensible part of the school.

Top Row: D. Kuban, B. Welbes, J. Neuman. *Bottom Row:* M. Marifke, J. Dielen.

Latin Club

Every Wednesday, this group meets with Miss Riedle to discuss and learn about the ancient Roman way of life. Giving a Roman Banquet, taking a trip to the museums and entertaining mothers at open house are only a few of the things the Latin Club has accomplished.



Out of the twelve students who went out for forensics this year, four went to the dis trict tournament at Port Washington. The four were those pictured at the right: Beverly Duwe, Dick Francour, Don LeDuc, and Shirley Warzinik. Bev, Don, and Shirley received A ratings at Port Washington and went on to the state meet at Madison.

Football

As usual in the beginning of the season, expectations ran higher than fact and we got off to a bad start with a 20-0 loss at the hands of Shorewood's fast gridders.

Trying hard at the next chance a large crowd at "Tosa" watched the "Rockets" lose a heartbreaker, 18-14. All statistics were ours except the score.

Our first win was against nonconference Messmer and after that we rolled along in the win column. First we defeated West Milwaukee 13-0 in the most exciting homecoming game in years. Then came West Allis Central, which was hardly functioning as we pushed them backwards over the line six times. The next win was 7-0 over a powerful Whitefish Bay squad. Everyone will still remember Jerry Tuska's 73-yard off-tackle run in that one.

Our last loss, an overwhelming one, was delivered by Cudahy in front of a record crowd. After that setback we stormed back against Hale 20-13 and in our final game beat Waukesha 6-0 in a blinding snowstorm with about 2 inches of snow on the ground.

Ron Ragan was elected captain for the year.

Cross Country

This year our Cross Country team, piloted by Coach Brown, put up a superb record and thoroughly retained the honor it gained last year.

Out of ten meets our runners brought home nine firsts and one second. We won the Lakeshore Invitational, the Suburban Championship, the State, Class B, Championship, and placed second in the Midwest Invitational.

Two of the highlights of the season were the upsetting of Wauwatosa (their first suburban defeat in three years), and winning the Suburban Conference meet at Waukesha. Sophomore Dave Harris was the leading runner this year. Captain was Chuck Roberts. Letter winners were Chuck Roberts, Dave Harris, Bob Mildebrandt, Charlie Davitz, Ronnie Weinstock, Toushy Olbrantz, Joe Stearns, and Jim Behr.

Basketball

The Rocket cagers this year ended their season with an excellent record and qualified in every way for more than the second place they got in the Suburban League.

The team started slowly at the beginning of the year but hit their stride as the season developed. Out of twelve starts the only two defeats this year were Whitefish Bay by one point, and first place West Milwaukee by three points. Both games were in the beginning of the season.

In post season play we whipped West Milwaukee and went all through the Subregionals with a perfect record until we met Kenosha at Racine. They defeated us by nine points.

Freshman center, Jay Schauer, had the most remarkable record established by anyone for a long time. He had the most quarters (86), the most baskets (95), best shooting average (.408), most free throws (73), most fouls (62), most rebounds (282), and the most points (263). Jack Vahradian attempted the most shots (251). Dick Hughes had the best free throw average (69.4%). Bob Kaczanowski was elected captain for the season.

Volleyball

As usual, Coach Walter's volleyball squad ended the season among the top three teams in the conference. They kept up the good standing enjoyed in the volleyball world since Mr. Walters started coaching.

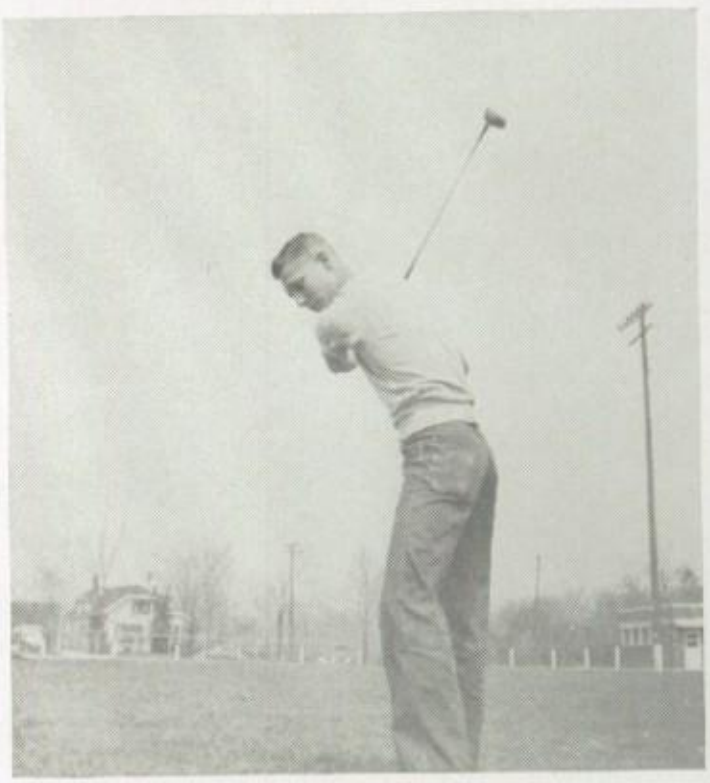
To start the season the first and second stringers racked up a total of 15 straight wins. Tosa and Waukesha, our two toughest opponents came next and proved to be our downfall. We managed only to squeeze one win out of Tosa, and lost all three games with Waukesha.

With only last-place Cudahy left the season was considered unofficially over. However, too much overconfidence brought Cudahy one of their first wins and us, our sixth loss in 24 starts to end the season in third place. Ray Johnson was elected captain for the season.

Golf

Last years golf team, which placed 2nd in the Suburban, seventh in the State, and tied for second in the Hartford Invitational, has left six lettermen for the 1951 squad. They are Ed Bullard, Archie Dadian, Dick Hughes, Rollie Blanchett, Don Luedtke, and Bob Kaczanowski.

Mr. Whitenack expects a good showing from the 17 boys on his team. Thus far they have shown much promise by winning four out of five matches.



Top Row: J. Bayer, D. Luedtke, D. Charlston, K. Western, F. Haldemann, W. O'Leary, J. Hughes, V. Kelvin, J. Roberts, R. Zimmerman. *Bottom Row:* A. Dadian, E. Bullard, J. Schauer, R. Blanchett, R. Hughes, G. Wisner, R. Kaczanowski.

Tennis

The only returning lettermen out for tennis this year are Harold Swanson and Erwin Smith. Last year we tied for 4th place in the Suburban tournament, and took ninth in the State matches at Neenah. The State meet this year will be held at Manitowoc.

This years team, of 12, with the exception of one senior and one junior, is composed entirely of sophomores. The team is quite green and out of ten scheduled matches, has lost four out of five. It is improving and promises to become quite a threat next year.

Track

Last year our team managed to eke out 2nd, 5th, 5th and 4th places in the Little Suburban, Suburban, Suburban Relays, and State meets respectively. Charles Roberts, Connie Thill, Bob Mildebrandt, and Gene Chybowski set a new low hurdles record in that meet.

So far this year the team, which has improved immensely, has already copped first place in the Little Suburban and is looking forward to at least third place in the Suburban league. The returning lettermen are Pete Cieczka, Bill Fehler, Tim Flaherty, Melvin Fouts, Dave Harris, Don Luedtke, Bob Mildebrandt, Ronnie Ragan, Charles Roberts, Jack Vahradian. The mainstays of the team, most of whom should place in the state tournament, are Fehler, Flaherty, Gricar, Harris, Mildebrandt, Netzel, Ragan, Roberts, and Vahradian.
